Sprint 2 Retrospective Summary

What worked well this sprint that we want to continue doing?

We believe the tasks were divided well, as a lot of progress was made. After each task completion, we made sure our work was able to be used and integrated accordingly.

What didn't work well this sprint that we should stop doing?

At one time, there was an overlapping of work. Upon realization, we had a short meeting and delegated tasks to maximize production.

What should we start doing or improve?

We believe we should continue what we are doing as we are on schedule with project development.
